Lazy Susan

Laura Nyro

Lazy flower, my you've grown so tall
I have lost and loved him, you have seen it allLazy Susan, lazy through
Hasn't got a think to do
Oh, but to sit there and light up the hillside
Sun-fried, black-eyed SueLazy Susan, lazy through
All the hills in love with you
Courted and cradled by heaven and hillside
Sun-fried, black-eyed Sue, black-eyed Sue, black-eyedBlack-eyed Sue, how happy you must be
Once, I too had someone loving me
