Milano Rendez Vous

Toxic Youth

Donâ€™t forget where Iâ€™m from
With no father now i have a son
Donâ€™t forget where Iâ€™m from
That is making me so strong

Milan is my city ,is my pride
Milan gives you chances for day and night
Milan is like a mother for my life
Milan works like a fool can be like Mr.Hide

Itâ€™s the city of my dreams
Itâ€™s my beautiful land
Thatâ€™s the city of Milan
Where the prople can grow up and you can change the end

Donâ€™t forget where Iâ€™m from
Thatâ€™s why Iâ€™m singin in my song
Something is good,something is wrong
Like the fire, like the stone

Milan is my city ,is my pride
Milan gives you chances for day and night
Milan is like a mother for my life
Milan works like a fool can be like Mr.Hide

Itâ€™s the city of my dreams
Itâ€™s my beautiful land
Thatâ€™s the city of milan
Where the prople can grow up and you can change the end

Itâ€™s the city of my dreams
Itâ€™s my beautiful land
Thatâ€™s the city of milan
Where the prople can grow up and you can change the end

Leave from here-i was comin home
Resurrection and rebirth
Cominâ€™ back makes me strong

Now Iâ€™m in fire and Iâ€™m not alone

Donâ€™t forget where Iâ€™m from X4
