

When I Grow Too Old To Dream

John McDermott

We have been gay going our way
Life has been beautiful, we have been young
After you've gone, life will go on
Like an old song that we've sungWhen I grow too old to dream
I'll have you to remember
When I grow too old to dream
Your love will live in my heartSo kiss me my sweet
And so let us part
And when I grow too old to dream
That kiss will live in my heartAfter you've gone life will go on
Time will be tenderly melting our tears
Yet will I find you in my mind
Beckoning over the yearsWhen I grow too old to dream
I'll have you to remember
When I grow too old to dream
Your love will live in my heartSo kiss me my sweet
And so let us part
And when I grow too old to dream
That kiss will live in my heartSo kiss me my sweet
And so let us part
And when I grow too old to dream
That kiss will live in my heartAnd when I grow too old to dream
That kiss will live in my heart
