When It Snows

Jim Brickman

Baby there's a time for rain
And the blue skies that will come
There's a time for us
To be kissed on by the sun
There's a time for leaves to turn and colors run
But the weather my heart longs for
Has to be my favorite one

When it snows
You and I hideaway
Anywhere that the cold wind blows
Winter pearls and diamonds fall down
But what matters to me the most
Is how I fall in love with you
Every time I pull you close
Oh baby that's why
Why I love it
When it snows

No wonder this wonderland
Is healing to the heart
This world gives us too many ways
To live our lives apart
There's a time for seasons
To change and bring the sun
But the weather my heart longs for
Has got to be my favorite one

When it snows
You and I hideaway
Anywhere that the cold wind blows
Winter pearls and diamonds fall down
But what matters to me the most
Is how I fall in love with you
Every time I pull you close
Oh baby that's why
Why I love it
When it snows

But the weather my heart longs for

Has got to be my favorite one
When it snows
You and I hideaway
Anywhere that the cold wind blows
Winter pearls and diamonds fall down
But what matters to me the most
Is how I fall in love with you
Every time I pull you close
Oh baby that's why
Why I love it
When it snows
