

# Once Over

Shania Twain

How can you tell me  
It wasn't for real  
Step into my shoes  
And see how it really feels I know (I know) why you do it  
But still I can't stand  
You puttin' me through it  
Don't gimme that once over Don't gimme that once over  
That's just one step over the line  
Once upon a time I let you be free  
There was no reason that I had to feel I know (I know) it's easy for you to believe  
But this time its better for me to give than receive  
Don't gimme that once over  
Don't gimme that once over That's just one step over the line  
You made the place and time  
Now did you think I'd cry  
Once in awhile I think of you Maybe something old  
For something brand new  
I know ( I know) I know you'll be  
Somewhere in the night Lookin' for me  
You can seek but you'll never find  
Because you can't go back in time  
Don't gimme that once over Don't gimme that once over  
That's just one step over the line  
Don't gimme that once over  
Don't gimme that once over That's just one step over the line  
Don't gimme that once over  
Don't gimme that once over  
That's just one step over the line
