K-Solo

Check it out, S to the O L O, I'm spellbound
When I S P E L L very W E L L
When I S P E L L very W E L L
When I S P E L L very W E L L
When I S P E L L very W E L L
Check it out like thisHey, what I'm about to say
May hit a lot of people in a real strange way
Some said I should've spelled this a long time ago
But I stayed amateur while others turned proP R O now I'ma throw letters in my word
So I can make a Spellbound flow
Read it slow, see how it S O U N D sounds
K S O L O spellboundWhen I S P E L L very W E L L
Check it out like this, I'm spellbound
When I S P E L L very W E L L
Check it out like thisFirst I'd like to say I'm the K E V I N
My last name is M A D I S O N
And when I R A P they call me K S O L O
My rhymes are heavy like a rock, so I'ma throw them like a boloRhymes are def, beats are hittin' it's workin'
The alphabet's in the coffee pot to keep the spellin' perkin
I S P E L L very W E L L
I only spell so all can T E L LRhymes I got or write will S E L L
For rappers who don't believe me go to H E L L
Rhymes I write are made by M E
Turn the M around and it spells W EWe K I C kicked the B E A T on the S T R E E T
No one got rhymes like T H E S E
These rhymes you can R E A D
Read, see how it sounds, my fundamentals are spellin'
And K S O L O spellboundWhen S P E L L very W E L L
Check it out like this, I'm spellbound
When S P E L L very W E L L
Check it out like thisI'm not a G A M E to say the S A M E
R A P P E R whose style's O L D
I'm N E W for Y O U
Any C R E W paralyzin' vowels
A-E-I-O-U nothin', you're frontin' and rappers almostQ U I C K to T A L K
Some are real quick to W A L K
You can S A Y say what you M A Y
When I spell or write a rhyme I won't P L A Y
Play around when it's time to get down

Read it slow when K S O L O is SpellboundWhen S P E L L very W E L L
Check it out like this, I'm spellbound
When S P E L L very W E L L
Check it out like thisOh yeah, I must drop this line
For MC's who try to spell or put spellin' in the rhyme
They can't get it, I'm the B E S T best
Spellbound got a hundred while you failed the T E S T testNext time try things I didn't spell
Verbs and nouns, action words and adjectives
Add it together and ask R how it sounds
And maybe a rapper out there could be spellboundBut for now I'm the S P E L L K I N G
And this song I S I N G
And thanks to E P M D, I'M O U T T A H E R E
SpellboundWhen S P E L L very W E L L
Check it out like this, I'm spellbound
When S P E L L very W E L L
Check it out like this, I'm spellboundWhen S P E L L very W E L L
Check it out like this, I'm spellbound
When S P E L L very W E L L
Check it out like this, I'm spellboundS to the O L O
