

Man In the Rain

[Mike Oldfield](#)

You're the one who's nearly breaking my heart
Had your chance, you just threw it all away
Living in a world that you could never be a part of
And there's time to walk away You can't stay, no, you can't stay
You're no loser, there's still time to ride that train
And you must be on your way tonight
Think I knew right through, you're a man in the rain What's the use in hanging round these walls
Lamps are burning, but nobody's at home
There's a new day dawning as a cold rain falls
And now's the time to walk alone You can't stay, no, you can't stay
You're no loser, there's still time to ride that train
And you must be on your way tonight
Think I knew right through, you're a man in the rain How's it feel when there's time to remember?
Branches bare, like the trees in November Ooh
Had it all, threw it all away
Ooh
Now's the time to walk away You can't stay, no, you can't stay
You're no loser, there's still time to ride that train
And you must be on your way tonight
Think I knew right through, you're a man in the rain How's it feel when there's time to remember?
Branches bare, like the trees in November
How's it feel when there's time to remember?
Branches bare, like the trees in November You can't stay, no, you can't stay
You're no loser, there's still time to ride that train
And you must be on your way tonight
Think I knew right through, you're a man in the rain Ooh
Threw it all away, threw it all away
Ooh
And now's the time to walk away You can't stay, no, you can't stay
You're no loser, there's still time to ride that train
And you must be on your way tonight
Think I knew right through, you're a man in the rain
