An Immaculate Conception

The Wake

I donâ€™t know what to say or do
You donâ€™t know what you put me through
I donâ€™t know what to say or do
I donâ€™t want to be touched by you
Touched by you

If I say a thousand words
And all at once you take my breath away
If I say a thousand times
The same old lines donâ€™t mean a thing to me
I donâ€™t know what to make of you
You donâ€™t know what you put me through
I donâ€™t know what to say or do
I donâ€™t want to be touched by you
Touched by you

Touched by you
Touched by you
I donâ€™t want to be touched by you

I donâ€™t know
I donâ€™t want to
If I say
All at once
A thousand times
The same old lines

I donâ€™t know
I donâ€™t want to
If I say
All at once
A thousand times

You donâ€™t have to
You donâ€™t want to
If I say
All at once
A thousand times
The same old lines
