

Lift the Wings

Whelan, Bill

How can the small flowers grow,
if the wild wind blows~
and the cold snow is all around.
Where will the frail birds fly,
if their homes on high~
have been torn down to the ground.Lift the wings,
that carry me away from here and
fill the Sail,
that breaks the line to home,
but when I'm miles and miles apart from you.
I'm beside you when I think of
you - a Stirn a GrHow can a tree stand tall
if a rain won't fall~
to wash it's branches down.
How can a heart survive?
Can it stay alive?
If its love's denied for longLift the wings,
that carry me away from here and
fill the Sail,
that breaks the line to home,
but when I'm miles and miles apart from you.
I'm beside you when I think of
you - a StirnAnd I'm with you when I~
dream of you - a Stirn
And a song will bring you near
to me - a Stirn a Gr
