

# Hello Hurricane

## Switchfoot

I've been watching the skies  
They've been turning blood red  
Not a doubt in my mind anymore  
There's a storm up ahead  
Hello hurricane, you're not enough  
Hello hurricane, you can't silence my love  
I've got doors and windows boarded up  
All your dead end fury is not enough  
You can't silence my love, my love  
Every thing I have I count as loss  
Everything I have is stripped away  
Before I started building I counted up these costs  
There's nothing left for you to take away  
Hello hurricane, you're not enough  
Hello hurricane, you can't silence my love  
I've got doors and windows boarded up  
All your dead end fury is not enough  
You can't silence my love, yeah my love  
I'm a fighter fighting for control  
I'm a fighter fighting for my soul  
Everything inside of me surrenders  
You can't silence my love  
You can't silence my love, yeah  
Hello hurricane, you're not enough  
Hello hurricane, you can't silence my love  
I've got doors and windows boarded up  
All your dead end fury is not enough  
You can't silence my love  
Yeah, I said hello hurricane
