All Your Stories

William Bell

You valiant old soldier
Go home
You sorry old bad girl
Go home'Cause by now you've seen it all
Just relax now and recall
All your stories
Forever and everWho will stand by you
No one
No brother, no cousin
No one
But by now you know it all
So relax now and recall
All your stories
Forever and everOh now goodness knows
You might have done better
But then heaven knows
You might have done worse
If you lit up
The occasional candle
You're allowed the occasional curse
Oh you are a strange one
You are
You're betting on nothing
You are
But by now you've won it all
So relax now and recall
All your stories
Forever and everAll your stories
Forever and ever
