

Close Your Eyes

Michael Bublé©

Close your eyes
Let me tell you the reasons why
Think you're one of a kind
Here's to you
The one that I suppose is true
Do what you got to do
You're one of a kind
Thank god your mine

You're an angel dressed in armor
You're the fair in every fight
You're my life and my safe harbor
Where the sun sets every night
And if my love is blind
I don't want to see the light
It's your beauty that betrays you
Your smile gives you away
'Cause you're made of strength and mercy
And my soul is yours to save
And when this much is true
When my world was dark and blue
I know the only one who rescued me was you

Close your eyes
Let me tell you all the reasons why
You're never going to have to cry
Because you're one of a kind
Yeah here's to you
The one that always poses true
You always do what you got to do babe
Because you're one of a kind

When your luck was down in me
I know I'm finally free
So I tell you gratefully
Yes you'll be in my heart
Is yours to keep

Close your eyes
Let me tell you all the reasons why

Youâ€™re never going to have to cry
Because youâ€™re one of a kind
Yeah hereâ€™s to you
Youâ€™re the one that always poses true
You always do what you got to do babe
Because youâ€™re one of a kind

Youâ€™re the reason why Iâ€™m breathing
With a little look my way
Youâ€™re the reason that Iâ€™m feeling
Itâ€™s finally safe to stay
