

# She's Mine

## Cameo

Oh, loo, love, love Everyday I love her just a little bit more  
Little bit more, little bit more  
Everyday I love her just a little bit more  
And she loves me the same  
Yes, she loves me the same 'Cause my love, it's her love and her love is my love  
Yes, she gives me loving at the right time  
Day time, night time  
Yes, she give me loving at the right time Everyday I love her just a little bit more  
Little bit more, just a little bit more  
Everyday I love her just a little bit more  
And she loves me the same Every guy finds her on the street they say she's sweet  
Oh, my baby, can I throw some flowers at your feet? She's young, fresh and green  
And I like how she round at the seam  
She's young, fresh and green  
And I like how she round at the seam Everyday I love her just a little bit more  
Little bit more, just a little bit more  
Everyday I love her just a little bit more  
And she loves me the same  
Yes, she wants me, whoa, oh, whoa  
She wants me, she wants me Everyday I love her just a little bit more  
Little bit more, just a little bit more  
Everyday I love her just a little bit more  
And she loves me the same 'Cause she's young, fresh and green  
And I like how she round at the seam  
Young, fresh and green  
And I like how she round at the seam Hands off, she's mine, mine o mine  
Hands off, she's mine  
Hands off, she's mine, mine o mine  
Hands off, she's mine Everyday I love her just a little bit more  
Little bit more, just a little bit more  
Everyday I love her just a little bit more  
And she loves me the same 'Cause my love is her love and her love is my love  
Yes, she gives me loving at the right time  
Summer time and winter time  
Yes, she give me loving at the right time Everyday I love her just a little bit more  
Little bit more, just a little bit more  
Everyday I love her just a little bit more  
And she loves me the same Oh, loo, love, love  
Oh, loo, love, love Everyday she tell me that she wants me some more

Want me some more, she want me some more  
Everyday she tell me that she want me some more  
And I want her the same Oh, loo, love, love  
She give me love that grows and grows Every time she walks the street  
I stumble, umble, umble at her feet  
I say, "Whoa baby, you look so sweet  
You look like something can eat" She's young, fresh and green  
And I like how she green at the seam  
Young, fresh and green  
And I like how she green at the seam Oh, loo, love, love
