Soul To Soul

Rick Springfield

Someone along the way derailed your train
And I'm having a real hard time
Getting any love thru your defenses
You listen to your heat but I know how well
You listen to your heart
If this is the real thing
Then I want more from you than flesh and bloodSo, Soul To Soul
I know how it feels
Between lover to lover (we're gonna be)
So, Soul To Soul
Like a magnet to steel
Just like lover to lover (we're gonna be)We don't make love so much
Have a bedroom crucifixion
Any love that you receive only seems to go skin deep
You lost the key, don't throw away the house
Tho' I love your flesh and blood
This is the real thing
And I want more from you than skin to skinSo, Soul To Soul
I know how it feels
Between lover to lover (we're gonna be)
So, Soul To Soul
Like a magnet to steel
Just like lover to lover (we're gonna be)Somewhere there's an altar she lays herself across it
And she hands me the blade but I don't, I don't stick it inSo, Soul To Soul and the faithful all kneel
Every sister and brother (we're gonna be)
So, Soul To Soul and I wish it was real
Just like lover to lover (we're gonna be)And if this ain't what you want
You better tell me now baby
Cause I want more from you than skin to skinSo, Soul To Soul
I know how it feels
Between lover to lover (we're gonna be)
So, Soul To Soul
Like a magnet to steel
Just like lover to lover (we're gonna be)Somewhere there's an alter she lays herself across it
And she hands me the blade but I can't, I won't stick it inSo, Soul To Soul and the faithful will kneel
Every sister and brother (we're gonna be)
So, Soul To Soul and I wish it was real
Just like lover to lover (we're gonna be)Soul To Soul...
