

# If I Didn't Believe in You

Jeremy Jordan

There are people  
And they are publishing my book  
And there's a party that they're throwing  
And while you've made it very clear that you're not going  
I will be going  
And that's done But what's it really about?  
Is it really about a party, Cathy?  
Can we please for a minute stop blaming  
And say what you feel?  
Is it just that you're disappointed  
To be touring again for the summer?  
Did you think this would all be much easier  
Than it's turned out to be?  
Well, then talk to me, Cathy  
Talk to me  
If I didn't believe in you  
We'd never have gotten this far  
If I didn't believe in you  
And all of the ten thousand women you are  
If I didn't think you could do  
Anything you ever wanted to  
If I wasn't certain that you'd come through somehow  
The fact of the matter is, Cathy  
I wouldn't be standing here now If I didn't believe in you  
We wouldn't be having this fight  
If I didn't believe in you  
I'd walk out the door and say,  
"Cathy, you're right"  
But I never could let that go  
Knowing the things about you I know  
Things, when I met you four years ago, I knew  
It never took much convincing  
To make me believe in you  
Don't we get to be happy, Cathy?  
At some point down the line Don't we get to relax?  
Without some new tsuris  
To push me yet further from you?  
If I'm cheering on your side, Cathy  
Why can't you support mine?

Why do I have to feel  
I've committed some felony  
Doing what I always swore I would do? I don't want you to hurt  
I don't want you to sink  
But you know what I think?  
I think you'll be fine!  
Just hang on and you'll see-  
But don't make me wait till you do  
To be happy with you  
Will you listen to me?  
No one can give you courage  
No one can thicken your skin  
I will not fail so you can be comfortable, Cathy  
I will not lose because you can't win  
If I didn't believe in you  
Then here's where the travelogue ends  
If I didn't believe in you  
I couldn't have stood before all of our friends  
And said, "This is the life I choose-  
This is the thing I can't bear to lose  
Trip us or trap us, but we refuse to fall"  
That's what I thought we agreed on, Cathy  
If I hadn't believed in you  
I wouldn't have loved you at all  
Now why don't you put your dress on and we'll go, okay?  
Cathy?  
Can we just do that please?  
Please?!
