

# Comfort Me

## Feist

When you comfort me  
And doesn't bring me comfort actually  
When you comfort me True life in haiku  
And balances of phrase  
out of the blue  
And meaning shown to you Where does sadness see  
The mirror has a mirror in his teeth  
That's what sadness sees Big sky tiny bird  
And when the paragraph betrays the word  
Big sky tiny bird who-who-who who-who-who-who-who-who  
who-who-who who who who who who who who While you held me up  
I held out my calendar like a cup  
While you held me up Make it about me  
I wanna to hold the blame to guillotine  
Make it all blame free Hee-hee-hee hee-hee-hee hee-hee-hee  
hee-hee-hee hee-hee-hee hee-hee-hee Na na na na-na na na na-na na na na na na na na na na na  
na na na na-na na na na na-na na na na na na na na na na na  
na na na na-na na na na na-na na na na na na na na na na na...
