## Paolo Nutini

Yeah, oh, oh  
All the people wanna try you, girl  
And I hope you tell them where to go  
'Cause I've got so much here to offer, girl  
Oh, I love you more than you can know  
Some people wanna speed it up  
In fact I want to slow it down  
I wanna get myself dressed up, yeah  
And take you out on the town  
And be a model pupil tonight, babe  
I wanna get ten out of ten  
Be a model pupil tonight, babe  
I wanna get ten out of ten, yeah  
Get ten out of ten, oh  
Get ten out of ten, oh  
Everybody's got opinions, girl  
Their own versions of a good idea  
But the best one I can think of now  
Is to make sure that I keep you near  
And I know that I've got to keep it up  
'Cause I can see you're feeling down  
And I wanna get myself dressed up, yeah  
And take you out on the town  
And be a model pupil tonight, babe  
I wanna get ten out of ten  
Be a model pupil tonight, babe  
I wanna get ten out of ten  
And I get an A in the taxi, in the restaurant  
Get ten out of ten  
Get an A in the kitchen and an A in the bedroom  
And get ten out of ten  
Oh, you make it out of nothing  
And turn it into something  
And give it to you all for free  
Be a model pupil tonight, babe  
I wanna get ten out of ten, oh yeah
