

Dementia (Adam Young Remix)

Owl City

Dementia, you're driving me crazy This is driving me crazy
Dementia, Dementia, Dementia
Every light in the night flickered in and out
Every bone in my back shivered up and down
Keep the pace in case all the magic dies
'Cause this is driving me crazy
Every voice from my head shouted yes and no
Every freight train that fought fought to stop and go
Keep the pace in case all the magic dies
'Cause this is driving me crazy
Be surprised I'm a ghost keeping out of sight Open up your eyes you're a star in the summer night
This is love this is war, it's insanity
Dementia you're driving me crazy!
Dementia, you're driving me crazy!
This is driving me crazy
Every tear in my eyes dripping wouldn't drop
Every disc in my spine shook and couldn't stop
Keep the pace just in case all the magic dies
'Cause this is driving me crazy
Every hand let me go that I try to hold,
Every warm heart it loved left me feeling cold
Keep the pace just in
