Eternally

John Berry

Girl what you doing to me I want done eternally
Nothing else matters you're all that I want all that I'll ever needJust one kiss just one look and I knew the meaning of love
Just one night lost in your eyes and I saw the heavens above
Where I stop baby you begin like a circle that never ends
Girl what you doing to me...I'm gonna love you I'm gonna need you over and over again
Every day every night over and over again
Till there ain't no sun to shine till the end of time you will be mine yeah
Girl what you doing to me...
All that I ever dreamed of
Hoped for prayed to God that you'd find my door
And opened up my heart to yours
Girl what you doing to me...
