

# Re-offender

## Travis

Keeping up appearances, keeping up with the Jones'  
Fooling my selfish heart, going through the motionsBut I'm fooling myself, I'm fooling myself'Cause you say  
you love me  
And then you do it again, you do it again  
And you say you're sorry  
And then you do it again, you do it againEverybody thinks you're well, everybody thinks I'm ill  
Watching me fall apart, falling under your spellBut you're fooling yourself, you're fooling yourself'Cause you  
say you love me  
And then you do it again, you do it again  
And you say you're sorry  
And then you do it again, you do it again  
And again, and again, and again, and againBut you're fooling yourself, you're fooling yourself'Cause you say  
you love me  
And then you do it again, you do it again  
And you say you're sorry  
And then you do it again, you do it againYou say you love me  
And then you do it again, you do it again  
And you say you're sorry  
And then you do it again, you do it again  
And again, and again, and again, and again
