

Louisiana Blues

Savoy Brown

Going to Louisiana, baby, behind the sun
Going to Louisiana, baby, behind the sun
You know I just found out
My trouble's just begun

I'm going to New Orleans get me a Mojo Hand
I'm going to New Orleans get me a Mojo Hand
I'm gonna get you women
Right under my command

If the river was whiskey and I was a diving duck
If the river was whiskey and I was a diving duck
I would swim to the bottom
Drink myself back up

Going to Louisiana, baby, behind the sun
Going to Louisiana, baby, behind the sun
You know I just found out
My trouble's just begun

If the river was whiskey and I was a diving duck
If the river was whiskey and I was a diving duck
I would swim to the bottom
Drink myself back up
