One Voice

Lea Salonga

One voice singing in the darkness
All it takes is one voice
Singing so they hear what's on your mind
And when you look around you'll find
There's more than one voice
Singing in the darkness
Joining with your one voice
Each and every note another octave
hands are joined and fears unlockedIf only one voice would start it on its own
We need just one voice facing the unknown
And then that one voice will never be alone
It takes that one voiceIt takes that one voiceJust one voice singing in the darkness
All it takes is one voice
Shout it out and let it be
Just one voice
It takes that one voice
And everyone will sing
