

Hey There

Serena Ryder

Hey there, hey there
Ooh, we've got the real thing, real thing
There'll never be a better way
Or a love too late
There ain't no one can take your placeHey there, hey there
Ooh, we've got the real thing, real thing
There'll never be a better way
Or a love too true
There ain't nobody else like youBeen a long time
Since I've been in love
Always leaving
Never good enough
Then that feeling
When I saw your face
There ain't no one can take your place
Hey there, hey there
Ooh, we've got the real thing, real thing
There'll never be a better way
Or a love too true
There ain't nobody else like youWhen you saw me
With a broken heart
You said, baby
You are worlds apart
From that darkness
And those other girls, too
There ain't nobody else like youHey there, hey there
Ooh, we've got the real thing, real thing
There'll never be a better way
Or a love too true
There ain't nobody else like you
Ain't gonna worry no more
Nobody's leaving me behind
No more crying
No more tears to hideHey there, hey there
Ooh, we've got the real thing, real thing
There'll never be a better way
Or a love too late
There ain't no one can take your placeHey there, hey there, hey thereHey there, hey there
Ooh, we've got the real thing, real thing

There'll never be a better way
Or a love too true
There ain't nobody else like youHey there, hey there
Hey there, hey there
Hey there, hey there
There ain't nobody else like you
There ain't nobody else like you
There ain't nobody else like you
There ain't nobody else like you
