

Show Me (feat. Chris Brown)

Kid Ink

Baby

Yeah

Mustard on the beat hoBaby let me put your panties to the side (uh)

I'mma make you feel alright (right, right)

'Cause I'mma give you what you need, yeah

Mami you remind me of something (uh)

But I don't know what it is (I don't know)

Cause you remind me of something (uh)

Girl you gotta show me (alright)

You remind me of something (uh)

But I don't know what it is right now (I don't know)

You remind me of something (uh)

Girl you gotta show meUh, on the real no lie

I don't know what it is but you just my type

Everything just right, B said put it to the left

Don't listen to the hype though

Got a cup in your hand

Baby sitting but you ain't got no kids

We ain't leaving 'til there ain't no more left

Can't see no time on the Rolex (no)

I could tell you a freak, go show it

Looking for the after party, where to go at?

Go on the floor like a doormat (uh)

Baby you know where to throw that

I saidMami you remind me of something (baby you remind me) (uh)

But I don't know what it is (I don't know)

Cause you remind me of something (uh)

Girl you gotta show me, yeah (alright)

You remind me of something (uh)

But I don't know what it is right now (I don't know)

Cause you remind me of something (uh)

Girl you gotta show meBaby if you know what it is

On a real, can't lie, man you just my type

Hands in the air looking for bitch right now

On a real, can't lie, man you just my typeUh, so tell me what your name is

I don't really care who you came with (no)

Unless you got a couple friends look like you

My bad if my ex try to fight you

Roll up soon as I roll in

Security better get with the program
Too deep, ain't know where to stand
So high, ain't nowhere to land
You remind me of something missing
Misses, you got my full attention
Listen, let go of the attention
If I get a minute, I'll put your bad ass in detention Baby let me put your panties to the side (uh)
I'mma make you feel alright (right, right)
'Cause I'mma give you what you need, yeah
Mami you remind me of something (uh) (baby you remind me)
But I don't know what it is (I don't know)
Cause you remind me of something
Girl you gotta show me (alright)
Baby you remind me, you remind me of something (uh)
But I don't know what it is right now (I don't know)
Cause you remind me of something
Girl you gotta show me Baby if you know what it is
On a real, can't lie, man you just my type
Hands in the air looking for bitch right now
On a real, can't lie, man you just my type Oh baby show me, show me something
Tomorrow I might be hungover, but that don't mean nothing
You see all night long, I've been wrong
Baby show me something
She gon' let me do it Baby let me put your panties to the side (uh)
I'mma make you feel alright (right, right)
'Cause I'mma give you what you need, yeah
Mami you remind me of something (uh) (baby you remind me)
But I don't know what it is (I don't know)
Cause you remind me of something
Girl you gotta show me (alright)
Baby you remind me, you remind me of something (uh)
But I don't know what it is right now (I don't know)
Cause you remind me of something
Girl you gotta show me
