Spit In Your Face

Outbreak

You do it to yourself and you're the one to blame, so go on ahead with your slutty game. Beg for attention but I'm not buying, all I can do is laugh when I see you crying and when you've hit bottom and need some help up, I won't give a fuck, you'll be shit out of luck. The world is overcrowded with heartless fucks, there's no one to trust and everyone sucks. I'll spit in you face and call it a day. I feel so much better without you in m
