

Honey Dove

[Lee Fields](#)

My baby love
My honey dove

I can't live without your love
Why can't we make it like it was?
Since you've been gone
I've been all alone
Waited and waited with my telephone
You never called
And, girl, I'm so alone
You're hurting me honey
Right down to the bone

Baby love
My honey dove

It can be like it was
My baby love
Don't leave me like this
Can't go on
So my love for you, girl is so going strong
