Radio

Steep Canyon Rangers

I really dug your double tapedeck
Pressin' their flowers
for hours with you
Up in your bedroom
Beneath that water and sun set so fine
Ridin' home from Sunday school
Kasey Kasem told me I'd find her one day
I believe, I believe
in the word he say
Cuz I was born to the rhythm, rock in the bosom
Raised on the sound of the Radio
and when I want to get back
I turn it up loud and I'm ready to go
We never had a look around, look around
The sound was everywhere and you call me on the phone
Sayin look what I found
This gettin' to that key, made just for you
Sun was on and wear sunglasses and the telescopes
We were lookin' through
In that open door, we stoppin' through
And we call, and we ran
And we just, we just flew
Cuz I was born to the rhythm, rock in the bosom
Raised on the sound of the Radio
and when I want to get back
I turn it up loud and I'm ready to go
On the Radio
On the Radio
On the Radio
On the Radio
Cuz I was born to the rhythm, rock in the bosom
Raised on the sound of the Radio
and when I want to get back
I get back
Born to the rhythm, rock in the bosom
Raised on the sound of the Radio
and when I want to get back
I turn it up loud and I'm ready to goOn the Radio
On the Radio
