

You Were Made for Me

[Sam Cooke](#)

Made for me
You were made for me A fish was made to swim in the ocean
A boat was made to sail on the sea
As sure as there are stars above
I know, I know you were made for me
You were made for me A grape was made to grow on a vine
An apple was made to grow on a tree
As sure as there are stars above
I know, I know you were made for me We'll have our quarrels and you'll upset me
But what can I do?
You've been mine ever since I met you
And I'll never leave you, no I'll never leave you As sure as there's a Heaven above me
From you I know I'll never be free
As sure as there are stars above
I know, I know you were made for me A fish was made to swim in the ocean
A boat was made to sail on the sea
As sure as there are stars above
I know, I know you were made for me
You were made for me A grape was made to grow on a vine
An apple, an apple was made to grow on a tree
As sure as there are stars above
I know, I know you were made for me We'll have our quarrels and you'll upset me
But what can I do?
You've been mine ever since I met you
And I'll never, never, never, never, never, never leave you As sure as there's a Heaven above me
From you I know I'll never be free, no no
As sure as there are stars above
I know, I know you were made for me
