

# Since You're Gone

## The Cars

Since you're gone  
The nights are gettin' strange  
Since you're gone  
Well, nothings makin' any sense Since you're gone  
I stumbled in the shade  
Since you're gone  
Every thing's in perfect tense, well I can't help it  
When you fall apart  
And I can't help it  
Guess you better start  
That is forgettin' about you (Since you're gone)  
Since you're gone  
Nights are gettin' strange  
(Since you're gone) Since you're gone  
Throwin' it all away  
(Since you're gone)  
Since you're gone  
The nights are gettin' strange  
(Since you're gone) Since you're gone  
Throwin' it all away I can't help it  
Every thing's a mess  
I can't help it  
You're so treacherous  
When it comes to tenderness Since you're gone I can't help it  
Every thing's a mess  
I can't help it  
You're so treacherous  
Oh, where's that tenderness? (Since you're gone)  
Since you're gone I missed the peak sensation  
(Since you're gone)  
Since you're gone I took the big vacation (Since you're gone)  
Well, never feel sedate  
(Since you're gone)  
Well, the moonlight ain't so great  
(Since you're gone)  
Since you're gone (Since you're gone)  
Well, I've thrown it all away  
(Since you're gone)  
When the night

(Since you're gone)  
Strange I've thrown it all away  
(Since you're gone)  
Well, since you're gone  
Since you're gone  
Since you're gone  
Since you're gone I've thrown it all away  
(Since you're gone)
