Head of Fire

Filter

The big bright sky
Is blinding my eyes
I turn and flee
I crawl away
I try to hide
But there I lieI'm in my head all in the spin
Starting to die wanting to live
I'm in my head all in the spin
Starting to die wanting to live
Can't she see
She really brings out the worst in me
Can't she see
I'm everything that I shouldn't beSo there you are
All tall and keen
I wish I liked
A simple life
A heart of cold
And a head of fire
A head of fire
A head of fire
A head of fireI'm in my head all in the spin
Starting to die wanting to live
I'm in my head all in the spin
Starting to die wanting to live
Can't she see
She really brings out the worst in me
Can't she see
I'm everything that I shouldn't be
