

Femme Fatale

Pansy Division

Here he comes
You better watch your step
He's gonna break your heart in two
Yes it's true It's not hard to realize
Just look into his false colored eyes
He'll build you up to just put you down
What a clown? 'Cause everybody knows he's a femme fatale
The things he does to please
He's just a little tease
See the way he walks
Hear the way he talks You're written in his book
You're number thirty-seven have a look
He's gonna smile to make you frown
What a clown? Little boy he's from the street
Before you start, you're already beat
He's gonna play you for a fool
Yes it's true 'Cause everybody knows he's a femme fatale
The things he does to please
He's just a little tease
See the way he walks
And hear the way he talks
