

# I Belong to U (Interlude)

112

I belong to U  
With you, baby  
This body is yours I belong to U  
With you, baby  
This body is yours I belong to U  
To you, baby  
This body is yours I belong to U, to you  
Baby, all my love  
This is for you  
This is for you
