Pride

SOiL

When you scream aloud, "Heads down, heads down"
That's when I plan to rise up, rise up
When you scream aloud, "We're doomed, we're doomed"
That's when I plan to prove myself to youI've never gotten the simple thrill of a solo day
I've never seen the point in you killing you
I've always backed my words with what I do
I'll always bite my tongue to comfort youI'll be my superhero number one
I'll save me from myselfI, I rise
Above the sun in the sky
Above that look in your eyes
My prideSister, you know me, sister, you know me, mother, you made me
Lover, what do you offer me?
Father teach me, brother protect
Lover, what do you have for me?I'll be my superhero number one
I'll save me from myself
I'll be your superhero number one
I'll save you, I'll saveI, I rise
Above the sun in the sky
Above that look in your eyes
My prideI'll save you
I'll save you
I'll save youYour eyes deny
A life that dulls your pride
Your eyes, they hide
Through me you'll heal with timeWhen you scream aloud, "Heads down, heads down"
That's when I plan to rise up, rise up
When you scream aloud, "We're doomed, we're doomed"
That's when I plan to prove myself to youI'll be my superhero number one
I'll save me from myself
I'll be your superhero number one
I'll save you, I'll save youI, I rise
Above the sun in the sky
Above that look in your eyes
My prideI'll be your superhero number one
I'll save you from yourself
I'll be my superhero number one
I'll save me my pride
