at my door
she is huge
she wore a taller man's height or more
if it fails me
then it's love for surecause i'm here cause i want to be
and i gotta be
and i'll stay
and i gotta be with youi'm your food
am i cake?
i'll have another plate of attitudeif it fails me
then it's love for sure
cause i'm here
cause i want to be
and i gotta be
and i'll stay
cause i want to stay
and i got to stay
and i'm here
cause i wanna be
and i gotta be with youshe's so huge
she's so cool
so damn sweet
her perfume's cheaper than her eyes are bluebut i'm here
cause i wanna be
and i gotta be
and i'll stay

and i got to stay
and i'm here
