

# I'd Die for You

## Bret Michaels

Oh yeah  
Rock it baby My pretty girl, you move so sexy in your skin  
Spread your wings for me, let my love come in  
My sexy girl, all the world's your stage  
You love to feel my passion, you love to feed my rage Give me your faith, you take my hand  
You be my girl, I'll be your man  
My love's forever, my heart is true  
You live for me, I'd die for you Believe me, baby Pretty girl, lives inside my head  
Like an angel hanging just above my bed  
I think about you when I'm pacing in my cage  
How I loved your eyes, how you loved my evil ways I am love, you are hate  
You are laughter, I am rage  
My love's forever, my heart is true  
You live for me, I'd die for you Oh yeah  
Rock it, baby  
Don't you believe me, baby? Pretty girl, I'd protect you from the pain  
I will be your sinner, I will be your saint  
My sexy girl is so hard to please  
She's all I ever wanted, all I ever need You be my girl, I'll be your man  
Believe in me, give me your hand  
I pull my gun, my aim is true  
You'd die for me, 'cause I'd die for you Oh yeah  
Rock it, baby  
Believe me, baby You are love, I am hate  
You're a sinner, I'm a saint  
We are laughter, we are rage  
Crime of passion, gonna seal my fate You're the fire, I'm gasoline  
I'm coming on like a war machine  
My love is strong, my soul is true  
You'd die for me, I'd die for you
