Angelyna

George Canyon

I ain't chasing no neon rainbows
I ain't gonna be killing time
I'm just sittin' around here wondering
How to get her off my mind
'Cause being without her ain't easy
And I can't seem to get away
'Cause the key to her heart she gave me
Somehow is making me stayThere won't be no devil in my pocket
I ain't cryin' over broken heart
But the key that she once gave me
It don't seem to fit her lock
'Cause being without her ain't easy
And I can't seem to get away
'Cause the key to my she gave me
Is somehow makin' me stay(Angelyna) Oh Angelyna
Why'd you leave me all alone
(Angelyna) Oh Angelyna
I've been lonely since you've been goneI ain't no city slicker
I've always been just a country boy
I didn't see the way she used me
I didn't know I want just a toy
The way she made me feel
I never felt like this before
Like a dream but you know you're sleeping
You wake to find she's out the door(Angelyna) Oh Angelyna
Why'd you leave me all alone
(Angelyna) Oh Angelyna
I've been lonely since you since you been gone(Angelyna) Oh Angelyna
Why'd you leave me all alone
(Angelyna) Oh Angelyna
Well I been lonely since you've been gone
(Angelyna) Oh Angelyna
Why'd you leave me all alone
(Angelyna) Oh Angelyna
Well I been lonely since you've been gone
