

# It's My Time

## Prince Royce

It's the goal,  
it's the plan,  
its the moment ahead,  
its the stage,  
its the crowd,  
its never or now  
so I gotta let it fly  
gotta reach for the sky  
ive been wating for this all my life  
cause its my time  
cause its my time  
cause its my time  
cause its my time  
and I'm gonna shine yeah yeah  
voy a brillar  
I'm gonna shine ooooh  
voy a ganar  
I'm gonna shine  
esta es mi tiempo de oportunidad  
and im gonna shine  
vamos a ver quien soy quien soy de la realidad  
this is the moment ive been waiting for  
this is the moment ive been waiting for  
it's the goal  
it's the plan  
it's the moment ahead  
it the stage  
it's the crowd  
it's never or now  
so I gotta let it fly gotta reach for the sky  
Ive been waiting for this all my life  
cause it's my time  
cause it's my time  
cause it's my time  
cause it's my time  
  
and im gonna a shine  
every time I get the chance  
I'm gonna shine

imma show you I'm the man  
I'm gonna shine  
cause I now know that I can  
so I'm gonna shine  
let me see you hands and let me hear you say  
este es el momento que supes perer  
this is the moment I've been waiting for  
I'm gonna shine gonna shine  
mi sue
