Love Drunk

Steve Moakler

I like to throw 'em back slow
A few in a row
Til I get on a roll with you, Honey
You always know what I like
Same thing every time
I don't have to spend my money

Girl, you got me sideways
Keep me off the highways
Whatever you're servin' pour me one more round
I'm in for the long haul
Long after the last call
I know I'll be feelin' like I do right now
Cause you got me
Dizzy all up in my head
Buzzin' on your pretty dress
Don't wanna go home
Get love drunk, love drunk
Can't blame it on the booze
Only had one or two
After one sip of you I'm love drunk, love drunk

Alright
Keep losin' track of the time
Sweet talk and red wine on your lips
Got me way past my limit thinkin'
I won't be goin' to work
Tomorrow it's gonna hurt so good

Girl, you got me sideways
Keep me off the highways
Whatever you're servin' pour me one more round
I'm in for the long haul
Long after the last call
I know I'll be feelin' like I do right now
Cause you got me
Dizzy all up in my head
Buzzin' on your pretty dress
Don't wanna go home

Get love drunk, love drunk
Can't blame it on the booze
Only had one or two
After one sip of you I'm love drunk, love drunk
After one sip of you I'm...

Girl, you got me sideways
Keep me off the highways
whatever you're servin' pour me one more round
I'm in for the long haul
Long after the last call
I know I'll be feelin' like I do right now
Cause you got me
Dizzy all up in my head
Buzzin' on your pretty dress
Don't wanna go home
Get love drunk, love drunk
Can't blame it on the booze
Only had one or two
After one sip of you I'm love drunk, love drunk
After one sip of you I'm...

Drunk
