Regtest

Sumo

Play I some music
I hope I don't come on too strong
You can't refuse it
But you know you might be wrong
You could call it reggae
You couldn't call i t rock and roll
Come on , get ready
'cause there's a big ball going to roll
You'd better get up brother, up brother,
Up brother yeah!
Don't you go too far!
'cause then you'll come down brother,
Down brother, down brother, down yeah!
Like a shooting star.
I had a dream oh yeah, in 1973
I dream a spaceship, come down to deliver me
Well it was big and white
And it had come a long long way
A black star liner?
You know, I could not say
But it took me up brother, up brother
up brother, up brother, yeah
You know, it took me far!
Then it brought me down brother, down brother
Down brother, down brother, down yeah!
Like a shooting star.
