

Rider (feat. Wiz Khalifa)

Chief Keef

i need water, imma drown her,
roller coaster,
bush voter
hands all in my pocket
Think you goin' hate it? Stop it
My youngin's chicken nuggets'
Now you on the flu, they coughing'
Fuckin' with my gang, you goin end up in china
Fuckin' with Taylor Gang, you fuckin' with the palace
Smokin' on this dope, thumbin' through the neck
polka dots on my dick like who gonna do me next
I spent so many checks, I coulda bought a bed.
GBE til I die, I do it for my set
Goider...
