Aye Ma

Sammy Wilk

Aye ma,
You looking real nice
With the long blond hair, rockin' calvin kleins, and uh
I can really get used to it
The way you walk in I'm about to lose my shit, I swear
She's the only one, they all should be
But should'a, could'a, would'a, nothing's perfect Bill Cosby
It's just a normal day to your office job livin'
Work 8 to 5 but you wanna slow sip it
And you're sick of all the bullshit, you wanna make decisions
Dreams of top dollars, but stuck with the vision
Now I know this what you're feelin', I can see it in your eyes
No more hidin' what you're feelin', no more pain or disguise
So rise up, roll one, higher
Feet are on the ground but I'm found floating back to you likeAye ma, Watchu lookin' at? (Oh nah)
Aye ma, Watchu lookin' at? (I was like)
Aye ma, Watchu lookin' at?
No more hidin' away
Let's go fly to a place unknownAye ma, Watchu lookin' at? (Oh nah)
Aye ma, Watchu lookin' at? (I was like)
Aye ma, Watchu lookin' at?
No more hidin' away
Let's go fly to a place unknownGod damn, now I'm here. Watchu want from me?
I need a down ass chick that can work the D
I'll stick with it up all night no question
Learn lessons until the day we're set free
Now let me see what I'm workin' with
Hands by your side
Now it's time to nose dive like all the angels in the sky
Lookin' down over all of us
Keepin' it okay
Blessed but not like the rest of 'em
So roll up like a J and inhale, exhaleThe worry sailed away you say time after time that you feel some type of way
But don't tell me what I wanna know
Tell me how it is
So damn beautiful I'm over here noticin' you likeAye ma, Watchu lookin' at? (Oh nah)
Aye ma, Watchu lookin' at? (I was like)
Aye ma, Watchu lookin' at?

No more hidin' away
Let's go fly to a place unknownAye ma, Watchu lookin' at? (Oh nah)
Aye ma, Watchu lookin' at? (I was like)
Aye ma, Watchu lookin' at?
No more hidin' away
Let's go fly to a place unknownYou're the one that I want and I need
The one that I need
You're the one that I want and I need
No more hidin' away, girl (yeah, yeah)Aye ma, Watchu lookin' at? (Oh nah)
Aye ma, Watchu lookin' at? (I was like)
Aye ma, Watchu lookin' at?
No more hidin' away
Let's go fly to a place unknownAye ma, Watchu lookin' at? (Oh nah)
Aye ma, Watchu lookin' at? (I was like)
Aye ma, Watchu lookin' at?
No more hidin' away
Let's go fly to a place unknown
