Zig Zag

Circus Devils

You have got me going
(Zig zag)
It's my mind you're blowing
(Zig zag)
You can't lose me if you try
(Zig zag, zig zag)
Pass it on by
I don't need no highing
(Zig zag)
Girl, you got me flying
(Zig zag)
I can nearly touch the sky
(Zig zag, zig zag)
Pass it on by
You have got my heart turned on
Why don't you push it on ahead?
Till your heart turns on
You've got love and our lovin' is dead
Instead of wishing for the knowing
(Zig zag)
The way you got me going
(Zig zag)
I'm so glad you caught my eye

(Zig zag, zig zag)
Pass it on by
You have got my heart turned on
Why don't you push it on ahead?
Till your heart turns on
You've got love and our lovin' is dead
Instead of wishing for the knowing
(Zig zag)
The way you got me going
(Zig zag)
I'm so glad you caught my eye
(Zig zag, zig zag)
Pass it on by
Pass it on by
Pass it on by

Pass it on by
Pass it on by
Pass it on by
Pass it on by
Pass it on by
Pass it on by
