

# Shoot to Kill

## Oxide & Neutrino

intro

(shoot 2 kill)verse1Gonna skeeve all ma neighbours who criticise MC  
they're not that complex to comprehend are you deaf?

even when a rove told me if  
when i fuck a rap up this like skibadee  
girls get "mmmm" i believe em  
so i smile with the 21 reasons

acrobatics, karate and shit  
cause my aims perfect, never miss who i hit , hayeah, i know its not fair  
i did all my stunts in devils nightmare

hair blonde, eyes green  
super neutra and dragonball zee  
only attack when im provoked  
physically, verbally no joke  
hit back harder than i get

fists, lyrics - no sweat.verse 2(hey oxide start this shit )Gonna skeeve all ma neighbours who criticise MC
