Movements

Rend Collective Experiment

I wanna soar with You
Upon wings like eagles
But I'll crawl with You too
When the dark and lonely questions comeI wanna stand true
No matter what's new or comes through
I can't stand still
Whatever hits I'll keep making movements to You (woo)I'm running fast and free to You
'Cause You are the movement and fight in me
I'm running fast and free to You
'Cause You are my home where I wanna be
Come move in me
Where I wanna be, come move in meCome on everybody!I wanna float with you
The currents driving me
But I'll paddle hard too
When the waves and rapids overcomeI wanna stand firm
When my mind's weak and my emotions squirm
I must stand true
Whatever hits I'll keep making movements to YouI'm running fast and free to You
'Cause You are the movement and fight in me
I'm running fast and free to You
'Cause You are my home where I wanna be
Come move in me
Where I wanna be, come move in meWhoah oh ohoh oh
Oh whoah
Whoah oh ohoh oh
Oh whoah'Cause you're my hope and my choice
