Try

P!nk

Ever wonder 'bout what he's doing
How it's all turned to lies
Sometimes I think that it's better,
To never ask why

Where there is desire, there is gonna be a flame
Where there is a flame, someone's bound to get burned
But just because it burns, doesn't mean your gonna die
You gotta get up and try, and try, and try
Gotta get up and try, and try, and try
You gotta get up and try, and try, and try

Funny how the heart can be deceiving
More than just a couple times
Why do we fall in love so easy
Even when it's not right

Where there is desire, there is gonna be a flame
Where there is a flame, someone's bound to get burned
But just because it burns, doesn't mean your gonna die
You gotta get up and try, and try, and try
Gotta get up and try, and try, and try
You gotta get up and try, and try, and try

Ever worry that it might be ruined
And does it make you wanna cry
When your out there doing what your doing
Are you just getting by
Tell me are you just getting by, by, by

Where there is desire, there is gonna be a flame
Where there is a flame, someone's bound to get burned
But just because it burns, doesn't mean your gonna die
You gotta get up and try, and try, and try
Gotta get up and try, and try, and try
You gotta get up and try, and try, and try

You gotta get up and try, and try, and try
You gotta get up and try, and try, and try
You gotta get up and try, and try, and try

You gotta get up and try, and try, and try

You gotta get up and try, and try, and try
Gotta get up and try, and try, and try
