He's Not That Kind of Girl

Therapy?

Hey baby, I dig your scars

I think youre smart but they think youre kind of stupid

You dont say much, I dont care

They think youre strange but I think its kinda sexyYoure kind of lovely in an ugly way

Your feet scratch together, my two-time waltz

I think youve a lot to say

They think youre strange but I think its kind of funI cant believe youre still stuck to me

Cant believe youre still stuck to this world

(Yeah, yeah, yeah, yeah)And I cant believe youre still stuck to me

Cant believe youre still stuck to this world

But hes not that kind of girlHey baby, I dig your scars

Think youre smart but I think youre kind of stupid

You dont say much, I dont care

They think youre strange but I think its kind of fucking funAnd I cant believe youre still stuck to me

Cant believe youre still stuck to this world

(Yeah, yeah, yeah, yeah)And I cant believe youre still stuck to me

(Hey, hey)

Cant believe youre still stuck to this world

(Hey, hey)

And hes not that kind of girl

(Yeah)And I cant believe youre still stuck to me

(Hey, hey)

Cant believe youre still stuck to this world

(Hey, hey)

(Yeah, yeah, yeah, yeah)And I cant believe youre still stuck to me

(Hey, hey)

Cant believe youre still stuck to this world

(Hey, hey)

(Yeah, yeah, yeah, yeah)I cant believe youre still stuck to me

(Hey, hey)

Cant believe youre still stuck to this world

(Hey, hey)

But hes not that kind of girlSomebody please get me out of this K hole

Somebody please get me out of this K hole

Somebody please get me out of this K hole

Somebody please get me out of this K holeGet me out of this K hole

Get me out of this K hole

Out of this K hole

Get me out of this K holeOut of this K hole

Out of this K hole
Out of this K hole
Out of this K hole, yeah
