All That I Am

Rob Thomas

I am the one winged bird for flying
Sinking quickly to the ground
See your faith in me subsiding
See you prime for giving in
I give you all that I amI am the sound of love's arriving
Echoed softly on the sand
Lay your head upon my shoulder
Lay your hand within my hand
I give you all that I amAnd I breathe where you breathe
Let me stand where you stand
With all that I amI am the white dove for a soldier
Ever marching as to war
I would give my life to save you
I stand guarding at your door
I give you all that I amI am the one winged bird for flying
Sinking quickly to the ground
I am a blind man for a watchdog
I am prime for giving in
I'll show you all that I amAnd I breathe so you breathe
Let me stand so you'll stand
With all that I amAnd I breathe when you breathe
Let me stand where you standAnd I breathe so you breathe
Let me stand so you'll stand
With all that I am
