

Because of You

Ne-Yo

Want to but I can't help it, I love the way it feels
Just got me stuck between my fantasy and what is real
I need it when I want it, I want it when I don't
Tell myself I'll stop every day knowing that I won'tI got a problem and I don't know what to do about it
Even if I did I don't know if I would quit but I doubt that I'm taken by the thought of itAnd I know this much is
true

Baby you have become my addiction
I'm so strung out on you I can barely move
But I like it and it's all because of you(All because of you)
And it's all because of you
(All because of you)
And it's all because of you
(All because of you)
And it's all because
Never get enough

Shes the sweetest drugThink of it every second, I can get nothing done
Only concern is the next time Im gon get me some
Know I should stay away from cause its no good for me
I try and try but my obsession wont let me leaveI got a problem and I don't know what to do about it
Even if I did I don't know if I would quit but I doubt it
Im taken by the thought of itAnd I know this much is true

Baby you have become my addiction
Im so strung out on you I can barely move
But I like it and it's all because of you(All because of you)
And it's all because of you
(All because of you)
And it's all because of you
(All because of you)
And it's all because
Never get enough

Shes the sweetest drugAin't no doubt, so strung out
Ain't no doubt, so strung out
Over you, over you, over youBecause of you
And it's all because of you
Never get enough
Shes the sweetest drug
Shes the sweetest drug
