One In A Million

Run Kid Run

To my surprise I found my daylight
In summer skies, yeah whoa
Colors came out in waves
When I ?rst saw your face shine through
A spotlight fell that day
I?ll make this loud so you can hear me sayHey there, one in a million
I feel alive as our love, it collides
You put life into motion
You've got me spinning
You're spinning me out of controlGirl, dream big, we?ll do it all
When the city calls
Hand in hand, this is love
Buildings tower over usYou're a queen, won't you dance?
Won't you sing your melody?
Smile for the best days exist
I'm the luckiest, you're the reason for thisHey there, one in a million
I feel alive as our love, it collides
You put life into motion
You've got me spinning
You're spinning me out of controlAs my life explodes
You've got me hanging on, I'm hanging on
I'm out of control as my life explodes
You've got me hanging on forever
And we're hanging on together
And we're hanging on foreverHey there, one in a million
Hey there, one in a million
One in a million, life?s in motion
You've got me spinning
As our world?s collideHey there, one in a million
I feel alive as our love it collides
You put life into motion
You've got me spinning
You're spinning me out of control, I'm out of control
Hey there, one in a million
