

Her Voice Resides

Bullet for My Valentine

Our time has ended
I feel it's only just begun
And Im frustrated
I cant believe you're not the oneMy ears are bleeding
Her voice resides inside my head
And now I'm choking
Release this noose around my neckWill I just fall to pieces
Or am I alright?
To iron out my creases
You must lacerate me till theyre goneThese are my final words to you
I know you're listening, can you hear me?
The time has come to say 'Goodbye'
These are my final words to youThe clock is ticking
My heart is bursting through my chest
And now Im crying
These tears are falling off my faceThe chair is creaking
Her voice resides inside my head
And now it's over
You put this noose around my neckWill I just fall to pieces
Or am I alright?
To iron out my creases
You must lacerate me till theyre goneThese are my final words to you
I know you're listening, can you hear me?
The time has come to say 'Goodbye'
These are my final words to youHeaven, where is my angel?
I need her now, holding me
Heaven, where is my angel?
I need her now, holding me tonightWill I just fall to pieces
Or am I alright?
To iron out my creases
You must lacerate me till theyre goneThese are my final words to you
I know you're listening, can you hear me?
The time has come to say 'Goodbye'
These are my final words to you
